Explanatory Notes to the Notice of Annual General Meeting 2010

In the following notes, references to the “current” issued share capital of the Company are to the 111,132,079 issued ordinary shares of 5p each in the capital of the Company in issue as at the close of business on 4 January 2010 (being the latest practicable date before the publication of this document).

Resolution 1 – Report and accounts

The directors are required to present the accounts for the year ended 30 September 2009 to the meeting.

Resolution 2 – Declaration of final dividend

A final dividend can only be paid if it is recommended by the directors and approved by the shareholders at a general meeting. The directors propose that a final dividend of 5.50 p per ordinary share be paid on 19 February 2010 to ordinary shareholders who are on the register at the close of business on 11 December 2009. Shareholders are being offered the option to receive new ordinary shares as an alternative to cash in respect of this dividend.

Resolutions 3, 4 and 5 – Reappointment of directors

The Articles of Association of the Company require the nearest number to one third of the directors to retire at each Annual General Meeting. In addition, any director who has been appointed since the last Annual General Meeting must retire and may offer him or herself for re-election and such directors are not counted in calculating the number of directors to retire by rotation.

Resolution 6 – Reappointment of auditors

The Company is required to appoint auditors at each Annual General Meeting to hold office until the next such meeting at which accounts are presented. The resolution proposes the reappointment of the Company’s existing auditors, PricewaterhouseCoopers LLP, and authorises the directors to agree their remuneration.

Resolution 7 – Authority to allot relevant securities

The Company requires the flexibility to allot shares from time to time. With effect from 1 October 2009, the Companies Act 2006 (the “Act”) abolished the requirement for a company to have an authorised share capital. As of that date, the provision of the Company’s Memorandum of Association as to the amount of the Company’s authorised share capital has been treated as a provision of the Articles of Association of the Company setting the maximum amount of shares that may be allotted by the Company. Paragraph (i) of resolution 7 would revoke this provision to give the Company the desired flexibility. The directors will still be limited as to the number of shares they can at any time allot because allotment authority continues to be required under the Companies Act 2006, save in respect of employee share schemes.

The directors’ existing authority to allot “relevant securities” (including ordinary shares and/or rights to subscribe for or convert into ordinary shares), which was granted (pursuant to section 80 of the Companies Act 1985) at the Annual General Meeting held on 16 February 2009, will expire at the end of this year’s Annual General Meeting. Accordingly, paragraph (ii) of resolution 7 would renew and increase this authority (until the next Annual General Meeting or unless such authority is revoked or renewed prior to such time) by authorising the directors (pursuant to section 551 of the Act) to allot relevant securities up to an aggregate nominal amount equal to approximately one third of the current issued share capital of the Company. Save in respect of the issue of new ordinary shares pursuant to the Company’s share incentive schemes or as a result of scrip dividends, the directors currently have no plans to allot relevant securities, but the directors believe it to be in the interests of the Company for the Board to be granted this authority, to enable the Board to take advantage of appropriate opportunities which may arise in the future.

Resolution 8 – Disapplication of statutory pre-emption rights

This resolution seeks to disapply the pre-emption rights provisions of section 561 of the Act in respect of the allotment of equity securities for cash pursuant to rights issues and other pre-emptive issues, and in respect of other issues of equity securities for cash up to an aggregate nominal value of £277,830.20 (5,556,604 shares), being an amount equal to approximately 5 per cent. of the current issued share capital of the Company. If given, this power will expire at the same time as the authority referred to in resolution 7. The directors consider this power desirable due to the flexibility afforded by it. Save in respect of the issue of new ordinary shares pursuant to the Company's share incentive schemes, the directors have no present intention of issuing any equity securities for cash pursuant to this disapplication.

Resolution 9 – Authority to purchase Company's own shares

The Articles of Association of the Company provide that the Company may from time to time purchase its own shares subject to statutory requirements. Such purchases must be authorised by the shareholders at a general meeting. This resolution seeks to grant the directors authority (until the next Annual General Meeting or (if earlier), unless such authority is revoked or renewed prior to such time) to make market purchases of the Company's own ordinary shares, up to a maximum of 11,113,208 shares, being an amount equal to approximately 10 per cent. of the current issued share capital of the Company. The maximum price payable would be an amount equal to 105 per cent. of the average of the middle market quotations for an ordinary share of the Company for the five business days immediately preceding the date of purchase and the minimum price would be the nominal value of 5p per share. Although the directors have no current intention to make such purchases, they consider that it is in the best interests of the Company and its shareholders to keep the ability to make market purchases of the Company's own shares in appropriate circumstances, without the cost and delay of a general meeting. The authority would only be exercised if the directors believe the purchase would enhance earnings per share and be in the best interests of shareholders generally. The Company may hold in treasury any of its own shares that it purchases in accordance with the authority conferred by this resolution. This would give the Company the ability to re-issue treasury shares quickly and cost-effectively and would provide the Company with greater flexibility in the management of its capital base.

Documents available for inspection

There will be available for inspection at the registered office of the Company during normal business hours on any weekday (excluding Saturdays, Sundays and public holidays), and for at least 15 minutes prior to and during the Annual General Meeting, copies of:

- (1) the service contract of each executive director and the letter of appointment of each non-executive director; and
- (2) the Articles of Association of the Company.
